Subject: Response to your request for records, County File PI 7790

County File Number: PI 7790

Document(s) responsive to your request - Sent via email only

Date of Response: October 23, 2014

The Camden County Police Department provided the attached records which are responsive to your OPRA request for item number 4. No records exist for items 1, 2 and 3 of your request. Please note that the Camden County Police Department does not receive rape kits for testing. This function is performed by either the Camden County Prosecutor's Office or the State Police laboratory. You may want to check with those two entities for their OPRA process for records.

The attached records and the above explanation constitute completion of your request. Please sign "Section 3" of the attached OPRA form and return it to the Custodian of records.

Should you have any questions, please contact Maria Efstratiades or Mike Mevoli at [Redacted].
